Bd. of Trade Discusses Cheese Factory

The regular dinner meeting of the Wainwright and District Board of Trade was held in the dining room of the Hotel, March 4th.

President Huntingford being absent, Vice- President F. G. Conroy was in the chair.

Correspondence was read relative to the establishment of a cheese factory in Wainwright. On a motion regularly passed, the Board of Trade assumed the cost of local advertising and the rental of a hall for a proposed meeting of Farmers and others to be held March 21st, when a speaker from Kraft Cheese Company has been secured to go into this question fully.

Several other projects which are of interest to the district as a whole were discussed and the executive of the Board of Trade authorized to fully investigate these projects and make recommendations at the next regular meeting.

The importance of these projects cannot be over estimated and it is hoped that we will have full attendance at the next dinner meeting which will be held in the Hotel dining room at 7 p.m. sharp, April 1st.

The rink of Curlers who visited the Lloydminster bonspiel last week were sure in hard luck. They got through to the "fours" in the main event and they to stop owing to the weather running the ice sheet.

W. H. S. HOLD NOVEL PARTY

Last Wednesday evening the members of the W.H.S. executive in conjunction with the teaching staff and the pupils of the High School, put on a very enjoyable and entertaining "Spaghetto" Party. The object of this party was the stimulation of a school spirit to the end of which it was very successful. For those pupils who did not dance, games were provided for their amusement so that no one would be neglected.

Stunts formed a highlight to the dancing;

1st Stunt: Milk drinking contest.
Winners: Donald Rutherford and Elsie Horn.

2nd Stunt: Elimination Dance.
Winning Couple: Larry Greer and Exana Moskowich.

3rd. Stunt: Banana Eating Contest.
Winner: Robert Snell.

4th. Stunt: Baby Rocking Contest.
Winners and Contestants: Mr. Meade, Bill Moskowich and Washburn Laird.

A delicious lunch of spaghetti and coffee was served. The entertainment was climaxed with the usual formalities. Let us do this more often and maintain the traditions of W.H.S!

W. M. S. PLAN EASTER TEA

The meeting of the W.M.S. and W.A. of the United church was held at the home of Mrs. Bowerman on Wednesday, March 4th., at 3 p.m. with 18 members present. Mrs .C. McKenzie presided over the W.M.S. part of the meeting and Mrs. Smith over the W.A.

Mrs. Telford gave a very challenging, devotional talk on what the church means to us, and the study book was ably reviewed by Mrs. McKenzie.

Plans were made for an Easter Tea to be held in the Odd Fellows Hall, with a novelty feature, a "Touch and Go" table, to which each member makes a contribution, as well as donating an apron for the fancy work table.

The April meeting is to be held at the home of Mrs. Schlitt on Tuesday April 7th., at 3 o'clock with Mrs. Smith and Mrs. Schlitt as hostesses.

Giant Raid Shelter Planned Under Mount Royal Montreal

Plans are being studied which, if adopted would convert Mount Royal, the 700-foot mountain in the heart of the city, into an enormous air-raid shelter to accommodate at least 60,000 persons. It could be built at an estimate cost of $8,000,000.

For some years there has been a movement to erect something on the mountan which would be a permanent attraction to tourists. With the advent of war the proposal has taken the form of service to the city's inhabitants. The plan calls for a combination shelter and garage.

The preliminary plan, privately advocated called for a community centre under Mount Royal, with one large hall capable of seating 10,000 persons and auxiliary halls seating 1,000 persons each. This method of construction, it is believed, would be far cheaper than construction of a similar center anywhere in the city.

Air conditioning equipment would have to be provided to solve the question of fresh air for the buildings under the surface, and it was thought that the expenditure would not be very great for the whole scheme, if undertaken in co-operation with the federal, provincial and municipal governments.

In the latest developments of the idea, the air raid shelter would have six entrances into the heart which runs along the eastern slopes from east to west. The large room in the center of the mountain to be cut out of solid rock would measure 1,000 feet square. It was pointed out that unlike subways in some of the larger centers of the world such as London, Paris and New York, it would be free from flood danger, and being from 200 to 400 within the mountain would be entirely safe from bombs.

At the present time, the mountain is pierced by a two-track electric railway tunnel operated by the Canadian National Railways, through which suburban trains run to the sub urbs and Laurentian districts. It took several years to build and links the northern and southern sections of the island by a matter of minutes, where formerly it took almost an hour.

SECOND VICTORY LOAN A DECIDED SUCCESS in WAIN.

Our Town and District have reason to be proud of the record made in the Victory Loan Campaign just completed. Due to the efforts of the local committee and the salesmen under unit organizer W. J. Huntingford and the generous response made by so many of our citizens, a sum aggregating 180% of our original quota was subscribed.

Thanks are extended to the members of the local committees, both at Wainwright, Irma and other points for their unselfish efforts in making the campaign a success and last but not least to the many loyal citizens who subscribed generously to the loan. Whatever the future may hold and whatever sacrifices may be required, the result of the campaign just concluded must assure one and all that our Community is not lacking in those qualities which make for good and loyal citizenship.

CHARLIE HAS COME AND GONE

The comedy "Here Comes Charlie" presented by the Greenshields War Service League and sponsored by the Wainwright War Service League in the Separate School Auditorium on Wednesday last proved to be a great success. Under the able direction of Miss Helen Hill the entire cast cooperated to make the production an outstanding example of amateur dramatics, and all who were present enjoyed an evening of hilarious entertainment. Nearing the proffessional field was the choice of characters, each individual in the cast being especially well suited to his or her particular role.

The story was based on a promise, the promise of Larry Elliott, a young business man (well played by Rufus Carl) to an old man who had once saved his life. Larry felt indebted to the old man. Being comparatively well off he said he would do anything for the old man that he should ask little knowing what that promise would lead him into. The old man asked that Larry take care of his child after his death.

The story commenced at the time of the death of the old man. Larry received a telegram that Charlie, the fatherless child was coming, but that was not all. Her Uncle also who considered himself responsible for Charlie's welfare, was coming too.

A reaction of general amusement from the audience at the appearance of Charlie, a teen age girl, positively lacking in manners and tact, was very apparent. The part of Charlie was played by Miss Lorna Reid who gave a fine interpretation of it. The amusement was doubled since the disillusioned and practically adopted father expected a boy of nine or ten. The old Uncle Alec Twiggs capped the climax in his ragged clothes and cocky manner. The credit for some exceptional acting in this part goes to Mr. Hugh Reid.

A decidedly unwelcome reception on the part of Mrs. Fanny Farnham, Larry's aunt by marriage, played by Mrs. Rufus Carl, literally chilled the air, but was only expected for in both word and deed "She owned the house".

But after being ruled by his unreasonable aunt, domineered by his sweetheart, Vivian Smythe-Kersey (Miss Lila Muncaster) and tagged and otherwise pestered by his adoring step-daughter, "Poppa Larry" soon kicked over the traces. After putting his aunt in her place and telling his gold-digger sweetheart how rich he wasn't, and after giving Charlie a cheque to cover her expenses at a girl's school, he became master in his own household.

Charlie, however, refused the cheque and resolved to work her way through school and onto the threshhold of a polished lady.

The "grand finale" was certainly impressive when Charlie returned breathtaking lovely. Outdoing her numerous suitors "Poppa Larry" took the lead, winning the hand of what had become a very beautiful Charlie but a Charlie with the same unassuming kind heart and carefree spirit.

The remainder of the cast assisted in making the play an entertaining production. The natural acting and fitting personality of Mr. Varley Muncaster in the part of Ted Wartley, Larry's old-time college pal was a great addition to the comedy. The haughty and superficial Mrs. Caroline Smythe-Kersey was well interpreted by Miss Gwen Mills. The part of Mortimer Smythe-Kersey who, to put it mild was positively lacking in vitality or ambition, was played to perfection by Mr. Newton Hill. Miss Laura Carl as Nora Malone and Mr. Lloyd Haynes in the role of officer Tim McGrill were a fitting addition to the production.

Very worthy of mention was the grand selection of music by the pian ist Mrs. W. Clark, and the violinist Mr. Alec Adams, given between acts. Nothing could have been more fitting and relating than the familiar strains of "Home on the Range". and other selections very beautifully rendered.

The members of the League wish to thank all who contributed to the success of the play.

The members of the cast who gave us such a splendid evening's entertainment, to the children who sold tickets, to the ushers and all those who helped arrange the hall and especially to the public for their patronage we say "thank you".

EDGERTON

Every Canadian will feel great satisfaction in the huge success of the Second Victory Loan and we all in this part of the province can justly feel that at least we helped in this great achievement since the quota for this district was more than twice subscribed.

Come to the Picture show next Friday to see the draws for the $50.00 War Bond and the four Victory Wheel sheets. Some persons are going to be made suddenly better off.

F. W. Darling has resigned as janitor of the school after 16 years of faithful service and is succeeded by S. I. Groves. Fred having taken on the janitoring of the bank and also in assisting at the hardware found that he had more than he could man age.

The Midget hockey team started out for Chauvin Tuesday but owing to a few bad snow drifts did not get there.

Several postcards have been received from our boys overseas saying they had received cigarettes from the Edgerton Cigarette fund and they were very much appreciated. We would remind everybody that this fund is always open to receive contributions so that more smokes can be sent. The need will be greater as more boys go away.

Mrs. Mitchell and Marjorie made a trip to Edmonton last week and Happy Montgomery, his wife and Les Darby made the trip by road.

Mrs. Kyle returned home from Unity with her little baby daughter.

A Board of Trade meeting was held in the Telephone Office last Thursday with an attendance of 19. P. S. Pawsey was elected president and J. F. Gilmour vice-president with R. Kington acting secretary pro-tem.

At the regular parade of the V.V. R.'s last Sunday Roy Evans, who has been regular attendant since its inception, was presented with an active service pen and pencil set. Roy is leaving shortly to put on the uniform of the active forces. We understand George Sawyer will soon be losing his right hand man, Billie Skene who has joined the forces.

A plane going east was seen here Saturday night about nine o'clock.

Dick Pawsey and Bill McBride returned to their units Sunday night.

St. Mary's W. A. held their regular meeting at the home of Mrs. Evans.

The Junior W.A. held theirs at the home of Mrs. W. Wilson.

The Red Cross executive wish to announce that on Friday March 20th a three act comedy entitled "The Dutch Detective" is being staged in Pawsey's Hall, and a good crowd is hoped for. Remember the date.

The Mixed Bonspiel came to a very successful conclusion last Saturday night having been favored with wonderful weather throughout. Thirteen rinks took part and resulted in the following being winners.

Grand Challenge, P. S. Pawsey, (skip); Mrs. Darling; Earl Hallet; Bob Groves.

Grand Challenge Closed, Tom Jackson, (skip); Mrs. Stratton; Don Pawsey; Mrs. Darby.

Second Event, A. E. Challenger; Mrs. Geo. Sawyer; Kevin Wolff; Mrs. Warnock.

Closed, Ivan Kimball; Mrs. N. MacDonald; Les. Darby; Rena Stratton.

MEETING OF LOCAL STUDIO CLUB

On Thursday evening last, the members of St. Joseph's Academy Studio Club enjoyed a very lovely musical program. The opening number was a chorus, "The White Cliffs of Dover", by all the members. This was followed by a paper by Allen Boomer on the life and work of Brahms. Piano solos were given by Jacquiline Billing, Audrey Smith, Lionel McLeod, Allen Boomer, Shirley MacKenzie Elsie Sosnick and Joyce Lally. Edna Shultz gave a very artistic rendition of Rhapsodie Mignonne. A reading on the early life and work of Bach was also given by Edna Shultz, followed by the second movement of the Italian Concerto by Bach.

Two violin solos were beautifully played by Gwen Heffernan, while Ruth Daiby and Audrey Smith delighted the audience with vocal solos. The club enjoyed a special treat in the form of two violin selections by Mr. Adams, accompanied by his daughter Doreen. The meeting came to close with the singing of God Save the King.

WAINWRIGHT, WEDNESDAY, MARCH 11th, 1942

THE PLEBISCITE

Now that the Prime Minister and the Leader of the Opposition have asked the people of Canada to vote "for" the plebiscite, we should be considering what organization should be formed here and throughout Northern Alberta to get out the vote on the day of polling in order that we may make the majority "for" so strong that the Ottawa Government cannot possibly mistake our meaning.

We admit that there are a lot of people in Canada who believe that a vote on the question is unnecessary, that the Government should go right ahead and put conscription into effect. But those who do not let prejudice and intolerance blind them also know that there is an element in Canada definitely opposed to conscription of men for overseas service just as there is another element that would vote against anything savoring of conscription of wealth by means of forced loans and other machinery to that end. Let us, therefore, be realistic about it and decide that the only thing that really counts now that the decision to hold a plebiscite has been made, is to get out the largest possible favorable vote. President Alex Walker of the Canadian Legion, an Alberta, put our duty tersely the other evening when he said in a speech in Toronto:

"... And so, with all my heart and strength, I urge every one of you present here tonight to vote "Yes" to the plebiscite question. I urge you all to influence your families, your neighbors, your friends and your fellow-workers to do like-wise. This as I see it, is the only democratic, the only patriotic way of dealing with the Government's challenge. It is the only way to make sure that the Government is released from its pledge; the only way to pave the road for Total War.

If following the majority vote from the people of Canada the Government does not introduce Total War soon after the plebiscite result is known, then the Legion will renew its efforts a hundred-fold to obtain the action the country so sorely needs.

That language is plain enough and leaves us in no doubt about our duty in this matter. Let's quit squabbling and work together to see that the decks are cleared for all-out effort by Canada.

THANKS FROM OUR BOYS

Canadian Army Overseas
January 19, 1942

I have just received and had a great deal of fun and excitement opening your lovely present. I want to thank all you members of the War Service League for your useful presents. It is sure grand to know that the people in my old home town, have not forgotten me. Such things you sent are very hard to get as it seems you need coupons or ration cards for every little thing.

I am getting along fine over here. I like the country fine and the people do all they can to make England a home away from home for us boys. Men in the Service are here from all over the world so we are finding knowledge it seems wherever we go.

In my short visits to the towns around our present camp I have met several old friends from Wainwright. In my next leave I hope to go over to the Isle of Man to visit the Daugherty family and Mrs. Dr. Wallace's folks.

England is well covered with snow and ice. The streets are terribly slippery but then with a warm wind it can soon turn to slush.

Two of my Alberta friends and I are hoping to go up to London for a skate soon. They have several large rinks there.

Well folks for this time I'll just say good-bye and thanks again for your lovely parcel. I remain as always

Your Soldier Friend,
ALEX CALLAS.

Better late than never is a very old saying so I'll take this opportunity to thank you for the nice gift you sent me at Christmas. The gift is most useful and handy to have, especially when a person is so far away from home.

May I wish the members of the W.S.L. the very best of everything in their good work.

Many thanks again and good luck to all of you.

§ GILT EDGE §

The establishment of a cheese factory in Wainwright is a project worthy of the support of everybody. Citizens and farmers alike be sure to attend the meeting in the I.O.O.F. hall on Saturday March 21st at 2 p.m. and hear Mr. W. J. Rowlinson of the Winnipeg branch of the Kraft Cheese Company. A cheese factory would be a boost for Wainwright and mean money in everybody's pocket so be sure and attend and also tell your friends to be there.

A large crowd attended the farewell party for Mr. and Mrs. B. McNern and family at the Gilt Edge Park on Friday last. They had some games, a sing song and a whist drive for the first part of the evening. They finished the evening in dancing. The prize winners for the cards were Mrs. J. White, Mrs. M. Plaxton Mr. V. Fletcher and Mr. N. Olson. We wish Bruce, Marion and family the best of luck in their new home.

Wood sawing has been quite the thing in this district for the past few days.

We were very sorry to hear that Mr. F. La France and Mr. W. LaFrance are both on the sick list. We wish them a speedy recovery.

NEW FARM MACHINERY RESTRICTIONS

With few exceptions, the quantity of new farm machinery available for purchase in 1942 will be considerably less than that of 1940.

Regulations recently announced by the Wartime Prices and Trade Board set the quota of new machinery, attachments and repairs that may be manufactured or imported for the period November 1st, 1941 to October 31st, 1942.

The immediate effect of these regulations on the farmer make it essential that he repair and use his present equipment. It is also advisable that machinery be overhauled and repairs ordered as soon as possible. Failure to observe this precaution may result in costly delays due to repairs not being available at the time they are needed.

The regulations issued by the Board make allowances for the changes in the national farm economy. Machines which are needed for producing more feed crops, such as manure spreaders, hay loaders, hay presses, corn binders, feed cutters, etc., received special consideration in the form of quotas equal to or greater than the production of 1940. Dairy equipment is also given special attention but other farm machinery is limited to a quota ranging from 50 to 95 per cent of the amount manufactured and imported during the year 1940. Attachments and repairs may not exceed 140 per cent of the amount manufactured or imported in 1940.

Mr. Harry French R.C.A.F. was in Wainwright on a short leave en route east.

A series of farewell parties were given in honor of Mr. and Mrs. Bruce McNern and family, last week showing the high esteem in which they are held by the community.

On Tuesday afternoon the Gilt Edge Church Group (Presbyterian) gathered at the home of Mr. W. Rath well. About twenty guests sat around the festive board. As a token of their friendship a lace table cloth was presented to the guests of honor presentation being made by Mrs. Fred Watts on behalf of the group.

Friday night, the Gilt Edge Park Hall was the scene of one of the largest gatherings ever to assemble at that hall. Friends and neighbors from a widely scattered area turned out in force to bid them farewell. The party was well conducted. Mr. Allan Roberts acting as master of ceremonies. After a few hands of whist, a play was very ably presented by a group of Mayfield school pupils in which Gordon and Bob McNern took part. Following the play an impromtu concert, and dance was enjoyed by all. A slight token of appreciation was presented to the family. As the party broke up all joined hands and sang "Auld Lang Syne" and "They're Jolly Good Fellows". Mr. and Mrs. Bruce McNern and family expect to be leaving for the east the day following their auction sale which takes place to-morrow. Our best wishes go with them for success

NOTES

A young girl's "Penny Club" has been formed to make money for the local Red Cross, with Glenna Brunker as President, Joyce Lally as Secretary, and P. McLellan, Isabel McKenzie, Doreen Adams and Frances McKenzie on the executive. We welcome them as active helpers. They are planning a "Penny Carnival" in the near future, and would welcome donations of any old "white elephants" you may still harbor around your home.

They are also doing their bit by selling tickets for the play the Young People's Club of Heath are giving next Wednesday (March 11th.) in the Separate School Auditorium, at 8.30 p.m. This is the same play which was such a success at the Heath school where even standing room was at a premium, and which netted such a fine sum for our local Red Cross. It is a comedy called "Aunt Bessie beats the Band", and the proceeds again go to the Red Cross.

Mrs Snyder's group of young girls are busy again this year, knitting for the Red Cross. They make rather a specialty of baby things.

We regret an error in reporting the donation of a quilt. The donor was Mrs. Stan Baker.

Gilt Edge Presbyterian Ladies Aid are serving lunch at the McNern sale on March 12th, with proceeds going to the Red Cross.

We gratefully acknowledge receipt of the following:—

Quilt donated by Wainwright War Service League.

By Young People's Club of Heath (proceeds of play and dance) $46.25

By Junior Red Cross of Separate School $5.10
